The Ga-roovy Hexagonal (not quite) HP Lurve File

Okay, here's my ga-roovy Hexagon of lurve.

Harry's in love with Cho Chang, When they met he felt a bang. Ron's in love with Hermione, He found out her name and broke his knee. And Hermione's love is plain to see, What is up with Hermione? She likes three people, as you can tell, Draco, Harry and Ron as well! (what a flirt)

Comments: Yes, I know, weird. It didn't come out in the way I wanted it to. Oh well.

End
